## *The Ernie Davis Dining Center at Syracuse University*

*The Ernie Davis Hall is a 500-seat dining center. It is enclosed in two floors of wall-length glass. It is designed so that people will be the color and the creativity. The food in Ernie Davis includes planned stations that offer deli sandwiches, vegan and vegetarian selections, Jump Asian Cuisine, cooked-to-order specialties, pizza, and more. It is a marketplace design that allows the students to see their food cooked in front of them.*
